

New Chief Operating Officer joins Brennan Interior Contractors, Inc.

Douglas Thompson brings extensive strategy and management experience

Plymouth, MA, September 21, 2012: Brennan Interior Contractors, Inc. is pleased to announce the addition of Douglas Thompson as Chief Operating Officer.

“The strategy and management skills Doug brings to Brennan Interior Contractors will help propel the company forward,” explains Ed Brennan, Founder and President. “I am very pleased to have Doug on board as we enter the next phase of growth for Brennan Interior Contractors. His diverse industry experience, financial and systems expertise, focus on service and his passion for growing high performing organizations provide the perfect foundation for our continued success.”

With over 20 years of experience in software, information systems, management and accounting, Thompson brings with him a robust track record for leading growing small businesses. For the past 3 years, Thompson was the President of WatchCaptain, LLC., a software solution provider in the recreational marine industry where his strategic business planning was met with great success. “I am excited about Brennan Interior Contractors’ prospects. They have developed a tremendous reputation based on quality workmanship and consistently meeting or exceeding customer expectations.” says Thompson, “We have a talented and dedicated crew which provides added confidence for our customers.”

Thompson goes on to explain his priorities, “The first task is to listen to the needs and wants of our existing customer base and translate that knowledge into an action plan. We will create road maps to enhance our operations to delight our customers. We have already begun to develop the building blocks for a ‘No Surprise Environment’ for our customers.”

In addition to his extensive work experience, Thompson holds a Master of Science in Computer Information Systems from Bentley College in Waltham, Massachusetts and a Bachelor of Science in Business Administration with a concentration in Accounting from Northeastern University in Boston, Massachusetts.
